Dear [REDACTED]

The Office of the President has asked the Air Force to reply to your letter concerning two Unidentified Flying Objects you both sighted on October 28, 1963.

We are inclosing two Forms FTD 164 which we would like to have you fill out and return to this office. These forms will give us a clearer idea of the description of the objects you saw, their location in the sky, and any details of the weather, all of which are important in making an investigation of the report. Be sure to diagram the location of the crane and the church and how far the objects were from where you were standing.

Inclosed also is a self-addressed envelope for your use in returning the forms to this office.
